# Software developers, improve your payroll software with One-Stop Payroll
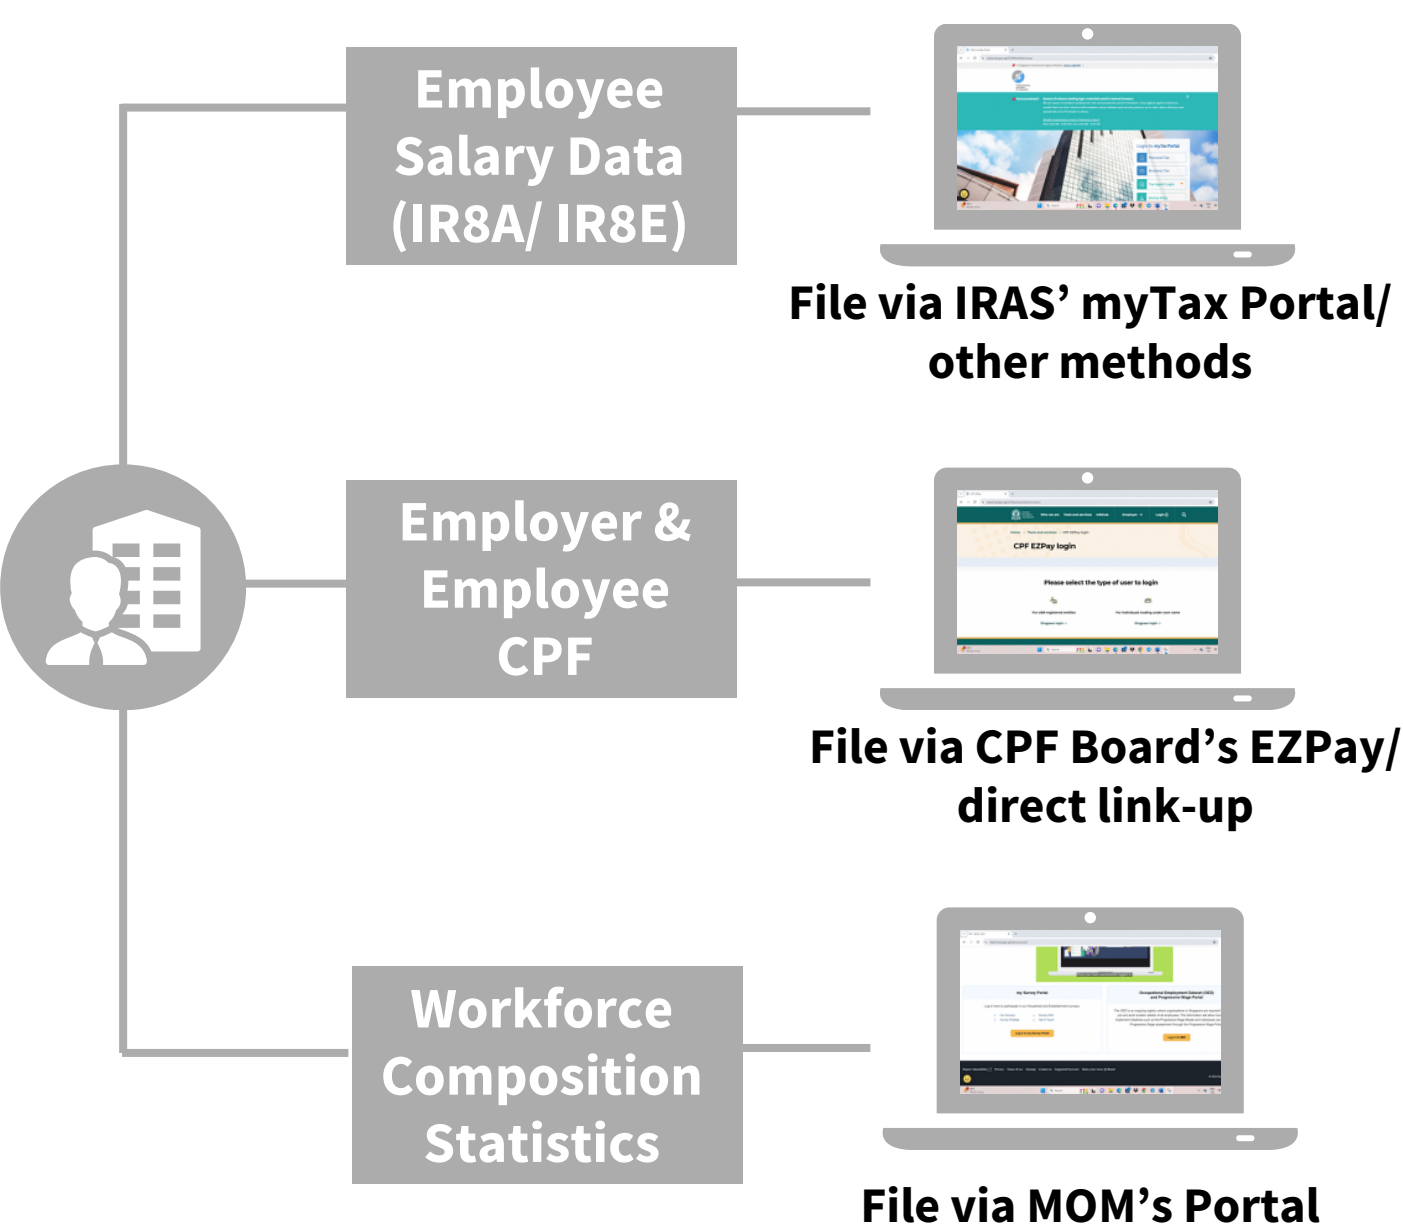

NEW

💡 What is One-Stop Payroll

One-Stop Payroll (OSP) is an integrated digital solution that streamlines regulatory processes for your customers in their capacity **as employers**, allowing them to **seamlessly submit** their employees' data to **multiple Government agencies directly** from their payroll software:

- Yearly payroll to Inland Revenue Authority of Singapore (IRAS)
- Monthly CPF contribution submission to CPF Board
- Update employees' occupational and employment details under Ministry of Manpower's (MOM) Occupational Employment Dataset
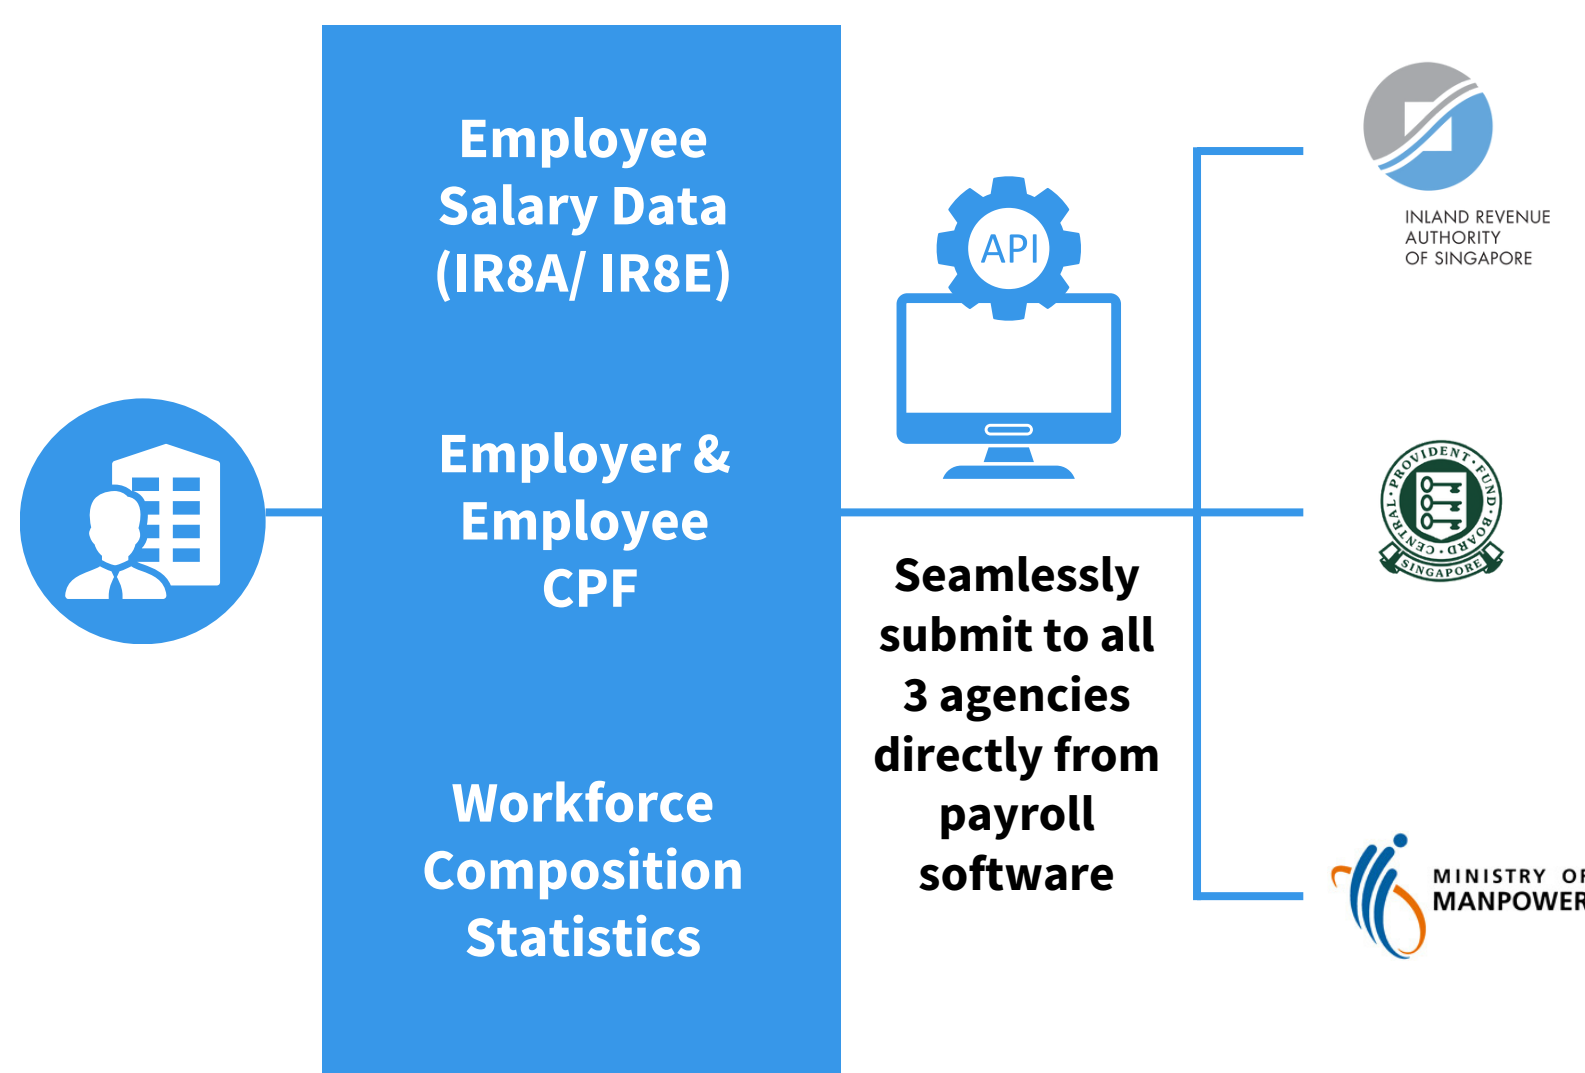

⚙️ How OSP Simplifies Your Customers' Filing Experience

Without One-Stop Payroll

Employee Salary Data (IR8A/ IR8E)
— File via IRAS' myTax Portal/ other methods

Employer & Employee CPF
— File via CPF Board's EZPay/ direct link-up

Workforce Composition Statistics
— File via MOM's Portal

With One-Stop Payroll

Employee Salary Data (IR8A/ IR8E)

Employer & Employee CPF

Workforce Composition Statistics

API

Seamlessly submit to all 3 agencies directly from payroll software

INLAND REVENUE AUTHORITY OF SINGAPORE

MINISTRY OF MANPOWER

👍 How Integrating OSP into Your Software Benefits You

- ✓ Stand out as a market leader with a comprehensive customer-centric solution
- ✓ Minimise technical errors with standardised requirements across agencies
- ✓ Efficient resource allocation by integrating API-solution with all three Government agencies at once
